Sir:

Pursuant to applicants duty of disclosure under 37 C.F.R. 1.56, enclosed is a Form PTO-1449 which list sixty-three (61) references for the Examiner's review and consideration.

These references were cited in the parent application serial no. 09/359,790 filed on July 26, 1999, and copies are not enclosed as they should be available in this file. Should the Examiner not be able to locate any of these references, applicant will supply copies upon request. It is respectfully requested that these references be made of record in this application by the Examiner's completion and return of the Form PTO-1449.

No fee or certification is believed to be due for this submission since the references are being submitted concurrent with the filing of this application. Should any fees be required, however, please charge such fees to Winston & Strawn Deposit Account No. 501-814.

Respectfully submitted,
